SOCIAL FINANCE

A SOCIAL ENTERPRISE IS

An organization that applies business strategies to create improvements in human and environmental well-being

SOCIAL FINANCE PROVIDES

Both and economic and social return

GEMBA'S BUSINESS MODEL

Has a desire to give back, build stronger communities, contribute to social causes, and provide the soundest financial advice possible to promote prudent financial behaviour and savings where possible.

WE GIVE BACK

Each year we take 5% of our revenues earned through brokering mortgages, payment processing, and other means and contribute to social causes that improve the lives of youth and increase financial literacy in our communities. Supporting us supports your community.
